### THE MOVE

Office relocation & redistribution of furniture

### MOVED FROM

Chippenham

### MOVED TO

London, and various sites

### NUMBER OF PHASES

3 phases, office move, redistribution of furniture to 16 sites & disposal

### KEY CONCERNS

Ensuring the safety of staff across various sites, especially the care homes, due to the current pandemic

**Bishop's Move have over 165 years of unrivalled experience in the removals and storage industry, with a network of 25 branches across the UK, Spain and Gibraltar. Our Business Relocation team provide dedicated commercial relocation services, including office relocation and move management.**

### CLIENT'S REQUIREMENTS

Anchor Hanover required a relocation company that could support their phased moves, including relocating their office from Chippenham to London, distributing office furniture to multiple care home sites and home offices across the UK, and the responsible recycling of unwanted/end of life items.

### OUR SOLUTION

- Detailed pre-planning, including COVID19-safety
- Relocation of 30 staff office to London office over 2 days
- Redistribution of office furniture to 16 care home sites and various home offices across the UK
- Responsible recycling and disposal of unwanted furniture and end of life items

**“Thank you to all the team that have been in and completed the removals and drop off's. We have not received any contact from any of our housing locations with any issues and have instead received some very positive news from specific locations. We also appreciate how quickly you have been able to accommodate our request.”**
