

# PROFESSIONAL PACKING SERVICES — IN SAFE HANDS

The most time consuming and often tedious part of moving house is packing and unpacking. Why don't you leave it to us?

Our skilled packing teams are professionally trained packers, art handlers and technicians, so you can be sure your possessions are in safe hands. All of our boxes and packaging materials are specially designed to protect your belongings during transport and we offer a wide range of packing services, so you can pick and choose just what you'd like us to do.

## PACK 2 BOX CHINA AND GLASS

We can wrap and pack your delicate items, ensuring they arrive at the other end in one piece. Let us take care of your fragile china and glass needs.

### DIMENSIONS

Width	460mm
Depth	460mm
Height	520mm

## PACK 4 BOX LINEN AND CLOTHING

Our specially designed linen cartons minimise creasing in items such as curtains, bedding, folded clothing and towels ensuring they arrive in great condition.

### DIMENSIONS

Width	920mm
Depth	460mm
Height	270mm

## PACK 6 BOX BOOKS AND UTENSILS

Perfect for items such as utensils, books, CDs and DVDs. Also great for items such as paperwork, remote controls and phone chargers that you may need to hand after the move.

### DIMENSIONS

Width	340mm
Depth	460mm
Height	350mm

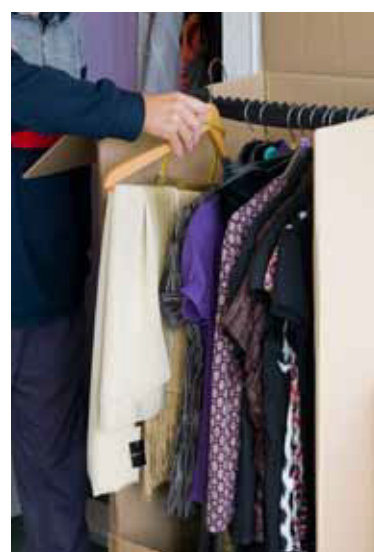

## GARMENT CARRIER CLOTHES

Our specially designed wardrobe cartons mean that your suits and dresses stay as crinkle-free as possible. They also make it easier to hang straight back into your wardrobe.

### DIMENSIONS

Width	460mm
Depth	520mm
Height	1240mm

## BESPOKE SPECIALIST

This service provides specially designed materials and crates that completely protect your antiques, electronics, artwork or any other special items, during the move or in storage. This service is available on request.
