CLIENT'S REQUIREMENTS

The Centre for Environment, Fisheries and Aquaculture Science is an executive agency of the United Kingdom government Department for Environment, Food and Rural Affairs This specific relocation to their new site was under-taken in 3 phases, including clearance, and to an agreed timescale.

OUR SOLUTION

- Detailed pre-planning and on-site surveys
- Relocation of 132 desks to the new site
- Installation of new IT equipment including 400 monitors and arms
- Complete clearance of the old offices, including 125 rooms over 4 floors
- Donate and distribute unrequired furniture to local schools and to the charity, Emmaus

Due to the diligent pre-planning and professionalism of our removals teams on site, Bishop's Move actually completed this complex relocation 2 days ahead of schedule. including distributing a large amount of unrequired furniture to local schools and Emmaus, a national charity for the homeless.
